The Director
Ankaful Hospital ,Cape Coast

Dear Sir/Madam,

REQUEST FOR DATA COLLECTION ON CYBERSECURITY AWARENESS IN HOSPITALS.

We, as final year students at the University of Cape Coast, are currently engaged in conducting research on the topic of "Awareness of Cybersecurity in Hospitals." We respectfully request your permission to collect data within your facility.

The purpose of our project is to evaluate the level of cybersecurity awareness among healthcare workers and identify potential vulnerabilities within the hospital's digital infrastructure. Through this research, we aim to gather valuable insights that can contribute to the development of effective cybersecurity protocols and practices in healthcare settings. We assure you that all data collected will be treated with the utmost confidentiality and used solely for academic purposes.

We fully understand and appreciate the value of your staff's time and commitments. Therefore, we are dedicated to minimizing any inconvenience caused during the data collection process.

We kindly ask for your permission to approach relevant departments or units within the hospital to conduct our research. Your support in this matter would be greatly appreciated.

Thank you for considering our request. We firmly believe that our findings will not only contribute to our academic growth but also help enhance cybersecurity measures within the healthcare community.

Yours Sincerely,

Martinson Bennison Asomah
(Project Team Leader)

Yours Sincerely,

Paul K. Arhin Jnr
